

## **Welcome to Wheeling Country Club**

Since the founding of Wheeling Country Club in 1902, we have been proud to provide our members with first class leisure activities and social amenities. Perched on “Country Club Hill”, the clubhouse over looks a beautiful and challenging eighteen hole golf course.

The Club offers something for everyone in the family. This includes golf outings, swimming, tennis, dinner dances and many other special events held throughout the year.

The primary activity at Wheeling Country Club is golf. The rolling hills and wooded areas provide a scenic backdrop, as well as placing a premium on accuracy and consistency of drives due to relatively narrow landing areas, small greens and some slope. After golf, amenities include nicely furnished locker rooms and a cozy grill room to discuss the tremendous drive over your favorite refreshment.

If golf is not your game, the Club also offers tennis, swimming and social activities. We offer two well-maintained Har-Tru tennis courts during the season.

Although, if relaxing is what you are looking for, there is a heated swimming pool with life guards on duty and a child’s wading pool.

After the day’s activities are over, unwind in one of our dining areas and enjoy a meal prepared by our Chef and his kitchen staff.
