April 2017

Dear Member

The Membership Committee and the Clubs Board of Directors would like to see our Club's membership grow.

For the health of the Club our membership and Club usage must increase.

We would like to see our membership increase from the present 226 members to at least 326 members by May 31, 2017.

The Club is an excellent value across all of our membership levels, the golf course is the best around and tee times are readily available, Jason Martin our Pro is ready for another FANTASTIC SEASON. The Clubhouse is rapidly becoming the place to be on Friday and Saturday evenings with Chef Mark Glass preparing great food, Cynthia and her crew serving up great drinks and providing excellent entertainment. The Club House looks great and the Social Committee has many exciting events planned for the coming year.

For the months of April and May, ending on May31, 2017 we will be conducting a "New Member Drive".

For any current member getting a "New Member" signed and approved by the Board by May 31, 2017 you will receive the following perks:

1. For every new "Golfing Member" signed and Board approved during the "New Member Drive" the signing member will receive one dinner entrée' voucher.
2. For every new "Social Member" signed and Board approved during the "New Member Drive" the signing member will one appetizer voucher.

MEMBERSHIP INFORMATION CAN BE FOUND ON OUR WEBSITE @ www.wheelingcountryclub.com

The current member signing up the most "New Members" will receive a one month's member dues level credit. In the event of a tie, the tie will be broken at the June Wednesday night drawing by having a club member or staff member pull a special number.

All dinner and appetizer vouchers must be used by 12/31/2017

If every current Club member got just one "New Member" to join just think what that would mean for OUR CLUB....

Please help us grown our membership and keep Wheeling Country Club the premier Country Club in the Ohio Valley.

Good luck

The Board of Directors and Membership Committee
